No.21/2/2018-Coord

19<sup>th</sup> March, 2018

Dear Prof. Tiwari,

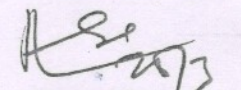

Greetings from NHRC, India.

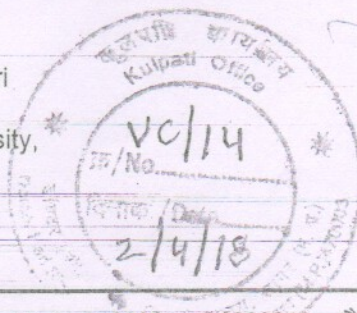

- As you are aware, the NHRC, India has been making efforts for spreading human rights awareness using a host of means such as, training and sensitization of government authorities and members of civil society, seminars/conferences, dissemination of information through its website, newsletters, publications and press releases etc.
- To further increase the reach of the Commission and enhance human rights awareness, the Commission, in collaboration with India's National Informatics Centre (NIC) recently launched an 'Online Human Rights Pledge' which is available at the following link - <https://pledge.mygov.in/nhrc/> for all concerned citizens and civil society and government organisations to sign.
- Interested individuals/organisations can take the 'Online Pledge' using the following steps:
  - Pledge taker (individual or organisation) can take pledge online by entering her/his details such as name, gender, aadhar no., date of birth, pin code, state, district, email, mobile no etc in the Entry Form.
  - In the next step, after selection of language, pledge is read by the pledge taker.
  - Pledge takers click on the 'Pledge' button to take pledge and enter a One Time Password (OTP) received on their mobile.
  - After the above three steps, a certificate of pledge is generated. This certificate can be printed, downloaded and is also sent to email ID of the pledge-taker.
- NHRC is taking up the issue of Online Pledge by all Government and Non Government Officers throughout the country over the next several months leading upto the Silver Jubilee event on its Foundation Day (12<sup>th</sup> October, 2018), by which time it is hoped that several million pledges would have been recorded. The Online Pledge system is also counted on the automatic counter for this purpose.
- Accordingly, I request you to issue instructions and encourage your officers and staff in all departments and the Management and staff of Industries associated with your Organisation to take the said "Online Human Rights Pledge", so that they may make human rights the cornerstone in the discharge of all their official duties.
- A copy of the instructions issued by you and action taken in this regard may kindly be sent to us early.

With kind regards,

Yours sincerely,

  
(Ambuj Sharma)
